

Educational Loan Boxes

NEW!

Helping teachers to inspire students from within and outside of Royal Greenwich, with hands-on history and activities!

Fancy handling pottery from Roman London, or learning about the experience of children escaping to the country through a Second World War evacuees' suitcase?

Royal Greenwich Heritage Trust has developed six new exciting and inspiring boxes with a range of different topics and periods, for both KS1 and KS2, created with both the curriculum and borough's history in mind.

Our loan box programme allows schools to develop their teaching across the curriculum with a wide range of historical artefacts, replica objects, and useful resources.

Greenwich Heritage loan boxes contain original objects, photographs, costumes, and information that gives you and your class a chance to get hands on with history. They inspire a range of fun, engaging classroom activities to help you deliver desired learning outcomes.

Key Stage One (KS1)

Toys: Past and Present

This box is chock-a-block full of toys that the children can have a go with as well as toys to look at and compare, consider, and discuss.

The Gunpowder Plot: Jacobean England

Bonfire night has been celebrated for centuries, but why is that? Transport your class back to the 5th November 1605, and learn all about gunpowder, treason, and plot...

Remembrance Sunday: First World War

Our Remembrance Day box encourages children to think about the sacrifices made by those who have fought for our freedom, and those who continue to do this today.

Key Stage Two (KS2)

A Roman's Londinium: Ancient Roman and Britain

Our Roman box uses local archaeological material, as well as replicas, so that your class can discover why the Romans came to Britain and the impact they had on the country.

An Evacuee's Suitcase: Second World War

What was it like to be an evacuee? What did they pack? This box contains items designed to evoke a child's experience leaving their families and homes during WW2.

The Lives of Children: Victorian England

The past hasn't always been safe for children, and this is very true during the Victorian Period. Discover the reality of lives for children with play, work, crime and death.
