

WEDDINGS AT CHARLTON HOUSE

A unique, historic venue in London

Welcome to Charlton House and Gardens. We are a stunning Grade 1 listed Jacobean mansion in South London. The house is in the heart of Greenwich – it has royal connections, versatile spaces, walled gardens and characterful rooms.

Charlton House and Gardens was built between 1607 and 1612 for the tutor to Prince Henry of Wales, son of James I. It is one of the country's finest examples of a Jacobean manor home right in the heart of London.

Every century has shaped and changed the house. But it remains a setting that is timeless and welcoming. It is a house that is ready for new stories. Make your wedding one of them.

We know that choosing your wedding venue is an important part of bringing your day to life. Whether you're planning to exchange vows only, an intimate gathering, or a large celebration, Charlton House offers a historic setting where everything feels relaxed, beautiful – and a little bit magical. Choose from The Grand Salon, The Old Library, The Long Gallery, or one of our smaller rooms – or in the summer months our Walled Garden makes the perfect backdrop for your special day.

We have a list of preferred suppliers, who can work with you to provide food, drinks and entertainment.

We can't wait to welcome you here to celebrate with your friends and family!

Hosting your wedding at Charlton House directly supports Royal Greenwich Heritage Trust and allows us to conserve the buildings and remain open to the public daily, free of charge.

What the day looks like

The doors of our house are open for you, your family and friends to enjoy moments that will stay with you forever. Whether you are looking for a classic celebration or something more relaxed, we can help you bring your vision to life.

Celebrate your special day in one of our stunning, historic larger rooms. The largest can host 115 people seated. Or, choose a small room for your vows and move to one of the larger rooms for drinks and canapés, or for your wedding breakfast. In the summer months our Walled Garden is perfect for photographs or to host a small gathering.

We work with a list of preferred suppliers who are able to create the food and drinks packages that work for your budget and number of people.
